

fringe leather necklace

© Pauline Grayson 2011

Supplies:
leather
beads
embroidery thread

instructions

Step 1

Cut a thin strip of leather, as long as you want, mine is about 28-32 inches

Step 2

Cut piece of leather that will be used for the fringe. Use free pattern download here {right click to download}. Then cut fringe.

Step 3

Punch holes in leather using a bone folder. And sew fringe onto leather strip.

Step 4

Put on beads. I used my daughters beads, a total of 6. Three beads on each side.

Step 5

Tie around neck using a square knot.
